Membership Application & Membership Administration — The Rollin' Club (i.G.), Berlin — Last updated: 15 August 2026

This notice explains how we process your personal data when you apply for membership in The Rollin' Club (i.G.) and, if admitted, during your membership. General data processing on our website (e.g., server logs) is covered by the website privacy policy.

1. Controller

The Rollin' Club (i.G.)
Torstraße 14, 10119 Berlin, Germany
Email: mat@rollinclub.berlin

The Club is represented by its Board (§ 26 German Civil Code (BGB); § 8 of the Articles of Association).

2. Data we process

- Identity and contact data: first and last name, date of birth, postal address, email address, mobile phone number.
- Application data: selected membership type; for the reduced membership, your status (pupil, student or apprentice); your confirmations and declarations (Articles of Association, Membership Fee Regulations, Mat Etiquette & Safety Rules, Participation & Risk Acknowledgement); any optional media consents.
- If admitted: membership administration data, contribution and payment data (IBAN, SEPA mandate) and communication relating to your membership.

3. Purposes and legal bases

- Reviewing your application and, if admitted, establishing and administering your membership, including collecting contributions by SEPA direct debit — Art. 6(1)(b) GDPR.
- Complying with statutory obligations, in particular retention duties under German tax law (§§ 140, 147 Fiscal Code (AO)) — Art. 6(1)(c) GDPR.
- Publishing photographs and video recordings of you on Club channels or social media — only with your consent, Art. 6(1)(a) GDPR. Consent is voluntary and may be withdrawn at any time with effect for the future (Art. 7(3) GDPR).

- Club communication, the safe organisation of training, and establishing, exercising or defending legal claims — Art. 6(1)(f) GDPR (legitimate interests).

4. Recipients and processors

- Tally BV, August Van Lokerenstraat 71, 9050 Ghent, Belgium — provider of the online application form (processor); form data is stored within the EU.
- Buhl Data Service GmbH, Am Siebertsweiher 3/5, 57290 Neunkirchen (Siegerland), Germany — provider of our membership administration software (WISO MeinVerein) (processor); data is hosted in Germany. If your application is accepted, we transfer your application data into WISO MeinVerein to set up and manage your membership, including SEPA contribution collection.
- Our bank and payment service providers, for collecting contributions.
- Public authorities, where we are legally required to disclose data (e.g., the tax office).

We do not sell personal data. Processing takes place within the EU/EEA.

5. Storage periods

- If your application is rejected or withdrawn, we delete your application data no later than six months after the decision, unless statutory retention duties apply.
- If you become a member, we store your data for the duration of your membership and thereafter for as long as statutory retention periods require (up to ten years for records relevant to accounting and tax, § 147 AO).
- Media material published with your consent: until you withdraw consent, with removal within a reasonable period thereafter.

6. Your rights

You have the right to access (Art. 15 GDPR), rectification (Art. 16), erasure (Art. 17), restriction of processing (Art. 18), data portability (Art. 20) and to object to processing based on legitimate interests (Art. 21). Where processing is based on consent, you may withdraw it at any time with effect for the future (Art. 7(3)). You also have the right to lodge a complaint with a data protection supervisory authority, in particular the Berlin Commissioner for Data Protection and Freedom of Information (Berliner Beauftragte für Datenschutz und Informationsfreiheit).

7. Obligation to provide data

Providing the data marked as required in the application form is necessary for us to review your application; without it, we cannot process the application. The media consents are voluntary and have no effect on your application or membership.

8. No automated decision-making

We do not use automated decision-making or profiling within the meaning of Art. 22 GDPR. The Board decides on every application individually.
